

Read the Very Best

"I have been an enthusiastic reader for years. From where I sit, *Commentary* was the most important conservative magazine in the 1980s, but *First Things* rose to claim that title in the early 1990s, and then gave way to *The American Enterprise*, which I think has been the most important conservative magazine since about 1997."

—Mark Henrie, Senior Editor/Journals, Intercollegiate Studies Institute

"Stimulating and interesting. A very fine magazine."

—Ambassador Max Kampelman

"Because I raise funds for political organizations I read virtually every political magazine published in America. Most I read because I must, but your journal I read because I want to. *The American Enterprise* is undoubtedly the best journal of thought and opinion in America."

—Bruce Eberle, Eberle Communications Group, McLean, Virginia

"The thoughtful pieces and cultural critique provided in *The American Enterprise* set exactly the right tone for national discussions."

—U.S. Senators Sam Brownback and Rick Santorum

"As former editor in chief of *Chief Executive* magazine I read your publication quite closely; it's one of the best edited publications on society and politics. Keep it up."

—J. P. Donlon, Principal, The Dilenschneider Group

"By far the best national policy magazine being published today."

—Merrick Carey, CEO, Lexington Institute

"I love *The American Enterprise*. The magazine reads wonderfully."

—Abigail Thernstrom, Harvard University
