

# THE AMERICAN MERCURY AUTHORS

CHARLES ANGOFF *is assistant to the editor of The American Mercury. He is a Bostonian and a graduate of Harvard.*

ERNEST BOYD *is an Irishman, but is now settled in America. He is very active as an editor and critic, and has printed a number of important books, including the authoritative "Ireland's Literary Renaissance" and the recent "Studies in Ten Literatures."*

GAMALIEL BRADFORD *is the well-known biographer. His latest book is "Wives." Among his others are "Lee, the American," "Confederate Portraits," "Union Portraits," "Damaged Souls," and "Portraits of American Women."*

HILTON BUTLER *was recently appointed managing editor of the Army and Navy Journal.*

THOMAS CRAVEN *is a frequent contributor to the Dial, the Nation, and the New Republic. He is the author of a novel, "Paint," published two years ago.*

NELSON ANTRIM CRAWFORD *is director of the department of information of the United States Department of Agriculture. He has written a number of books.*

PLINY E. GODDARD, PH.D. (California), *is a native of Maine and has been curator of ethnology at the American Museum of Natural History since 1914. He is the author of many books and scientific papers, chiefly dealing with the Indians of the Southwest. He lectures on anthropology at Columbia.*

LIEUTENANT-COMMANDER KENNETH C. MCINTOSH, U.S.N., *has had eight years service in tropical waters, and knows the Caribbean coast intimately. He was lately attached to the battleship Utah.*

RAYMOND PEARL, PH.D. (Michigan), *is director of the new Institute of Biology at the Johns Hopkins, where he has been professor of biology since 1923. He is the author of many scientific works. His latest book, "The Biology of Population Growth," has just been published. He is a native of New Hampshire.*

LEE J. SMITS *is a Detroit newspaper man and has spent a great deal of time in the woods of Northern Michigan. His first novel, "Spring Flight," was recently published.*

CARL VAN VECHTEN *is the author of a number of books, the latest being "Firecrackers."*

H. WINDSOR WADE, M.D. (Tulane), *was born in New Jersey. He became interested in leprosy research in Louisiana and was appointed research pathologist at the Bureau of Science, Manila, in 1916. From 1918 to 1922 he was professor of pathology and director of the Graduate School of Tropical Medicine in the University of the Philippines. Since then he has been chief physician and chief pathologist of the Culion Leper Colony.*

T. S. WAUCHOPE *is a Missourian and has been engaged in business in France since 1920.*

CARL AVERY WERNER *is editor of the Tobacco Leaf.*
