"THE POLITICAL BOOK OF THE YEAR."*

This is the one book conservatives and their critics must read to understand the past and future of the American right.

It explains...

- Why the "Religious Right" is a phony menace
- Why Ronald Reagan failed to eliminate even one major spending program
- Why the 1992 Republican convention, originally conceived as a cunning ploy, backfired
- And much more.

"The most refreshing ideological experience in a generation.... A landmark."

— William F. Buckley, Jr.

"A provocation and a challenge to all sides."

— Dinesh D'Souza, author of *Illiberal Education*

Excerpted in *Commentary*, *Harper's*, and *National Review*

*Fareed Zakaria, Managing Editor, *Foreign Affairs*

DEAD RIGHT

The great conservative revival of the 1980s is over. Government is bigger, taxes are higher, family values are weaker, and the Democrats are in power. What will the Right do next?

DAVID FRUM

A MAJOR STATEMENT ON RACE, CULTURE, AND THE EXPLOSIVE POLICY ISSUES THAT REVOLVE AROUND THEM

by the noted *Forbes* columnist and author of *Ethnic America*

Photo: Ingersoll Studio

Encompassing more than a decade of research around the globe, this book shows that cultural capital has far more impact than politics, prejudice, or genetics on the social and economic fates of minorities, nations, and civilizations. Multiculturalism and affirmative action policies are only distractions likely to make matters worse.

"A tour de force." — Rondo Cameron, Emory University

"One finishes reading this book awed with Sowell's capacity to bring together so much material in such a readable fashion."

— Myron Weiner, M.I.T.

"A cautionary tale of human history with broad policy implications."

— Linda Chavez, author of *Out of the Barrio*

A TIMELY AND MAJOR WORK OF REVISIONIST HISTORY

This book argues that the Nixon presidency "remains more important than those that have followed in its wake and most that preceded it in this century."

"A valuable study of an ambiguous record." — Tom Wicker

"Highly informative and important." — Herbert Parmet
