American Outlook

Y O U R W I N D O W O N T H E F U T U R E

American Outlook, a bimonthly magazine of the world's best writing on the future, examines the ideas, people, trends, and technologies at work shaping the future today.

American Outlook is realistic and optimistic, believing that any problems human beings can create, people can solve.

In this bimonthly issue:

The Anglosphere:

One culture may be uniquely suited to succeed in a world without borders.

Culture and the Future of the English-Speaking Peoples *By Francis Fukuyama*

British and American economic success and growth flow from those nations' knack for creating "social capital."

Bonds and Bureaucentrism *By Robert Conquest*

A union of English-speaking nations would provide a plausible alternative direction for the world's future political evolution.

The European Challenge to American Power *By John O'Sullivan*

America's ability to overcome ethnic differences comes in handy in its role as the sole current superpower, but the European Union's ambition to become a superstate poses significant dangers.

Peek into the future by asking for the latest issue of Hudson's bimonthly futurist magazine, *American Outlook*, at your favorite newsstand, or call 1-888-554-1325.
