That new car of yours

The first time you need a quart of oil—drain the crankcase. Fill with Texaco Golden Motor Oil and never use any other kind in the engine. See that the oil gauge is always at the proper level. Keep plenty of water in the radiator at all times.

With these few precautions your engine will deliver the full mileage and years of service its manufacturer intended.

Any automobile dealer will tell you that Texaco is the safe "year-round" oil. It has the body to stand the strain of summer driving and the ability to flow instantly on winter's coldest day.

Clean as it looks, full-bodied as it feels, Texaco Golden Motor Oil is the finest of lubricants—and a year's supply averages less than the cost of a car license.

THE TEXAS COMPANY
TEXACO PETROLEUM PRODUCTS

Texaco Golden Motor Oil and the new and better Texaco Gasoline—high test at no extra price—are sold in every State.
