

Why Investors THE WORLD OVER SELECT SMITH BONDS

WHY is it that men and women all over the world, in 48 States and in 51 countries and territories abroad, are as of one mind in their choice of **SMITH BONDS**?

The reasons can be stated briefly: **SMITH BONDS** give you the essentials of successful investing—safety and ample return— $6\frac{1}{2}\%$ interest with strong first mortgage security, and with safeguards that have resulted in our record of

No Loss to Any Investor in 54 Years

These essentials are not all. Wherever the mails carry, our Mail Service Department, in Washington, D. C., enables you to have your investments handled by mail with the same individual attention and cooperation that you would receive if you called at one of our offices.

$6\frac{1}{2}\%$ WHETHER YOU
INVEST MUCH
OR LITTLE

Another reason: Denominations of \$1,000, \$500 and \$100, and Investment Savings Plan payments of \$10, \$20, \$30 or more a month, place $6\frac{1}{2}\%$ **SMITH BONDS** within easy reach of every investor. Regular monthly payments earn the full rate of bond interest.

Mail the form below for our booklets—"Fifty-Four Years of Proven Safety," which explains the safeguards that protect every investor in our First Mortgage Bonds, and "How to Build an Independent Income," which shows how your monthly savings will grow at $6\frac{1}{2}\%$.

matter in so brief a compass (175 meager pages); Mr. Turner's summarization is inadequate, jejune, uninteresting. He ends with the expression of his conviction that development of a world pacific sentiment ("the new revolution") has doomed war. The argument is thin and unconvincing. The book does more credit to the author's heart than to his head.

History

THE NEGRO IN THE RECONSTRUCTION OF VIRGINIA. By Alruthus Ambush Taylor, A.M. The Association for the Study of Negro Life and History, Washington. \$2.

The benefaction of the Laura Spellman Rockefeller Fund is responsible for this interesting volume, detailing as it does the complexities following the conclusion of the civil conflict and the readjustment of the relations between the freed slaves and their former masters. On the whole the book reveals a creditable story on both sides. The white people in Virginia proved sensible in the main, and Negroes who improved their standards progressed. The "horrors" of reconstruction sat lightly on both black and white in Virginia, and the outcome was rather better than could have been expected.
