BACK to the BASICS

(Or, if you prefer, FORWARD with the BASICS)

Clarence Carson began his work on basic texts for history, politics, and economics in 1982. With the publication of BASIC AMERICAN GOVERNMENT in 1993, the work has been completed for the coverage of the United States. The *Basic History* was completed in 1986. Even before then—as the volumes came out serially—it was clear that the work was generating more and more enthusiasm. The set has been reprinted at least once every year since it came out. His BASIC ECONOMICS came out and has been accepted for its lucid explanation of a dense subject. Now, with the publication of Dr. Carson's long awaited BASIC AMERICAN GOVERNMENT, the basics are available.

At last, a book on American government rooted in the Constitution, spawned out of the Anglo-American experience, and viewed as the finest fruit of Western Civilization.

Now available in a 600 page clothbound edition, handsomely bound and printed, for only \$32.95 per copy. Among its features are:

- Focus on the written Constitution
- Emphasizes role of state as well as national government
- Highlights the founding principles of limited government and individual liberty throughout
- Traces the founding principles back to their Greco-Roman and Judeo-Christian roots
- Reprints the founding documents which illuminate our political principles

A worthy companion of *Basic History*

A BASIC HISTORY OF THE U.S. is available in 5 quality paperback volumes:

- Volume 1, *The Colonial Experience* \$9
- Volume 2, *The Beginning of the Republic* \$9
- Volume 3, *The Sections and the Civil War* \$9
- Volume 4, *The Growth of America* \$9
- Volume 5, *The Welfare State* \$9

All 5 volumes shrink-wrapped as a set, only \$36.50! Over 1,300 pages, numerous illustrations, biographical sketches, documented, a glossary, and fully indexed.

"Carson's Basic History ... is the best available today."—William F. Jasper
"Dr. Carson ... captures the color ..., the clash of controversy, the values we are still struggling to pass down to our children."—Conservative Book Club

BASIC ECONOMICS is now well established as providing the basis for grounding in the fundamentals of economics.

Available in hardback only, but the price has been reduced to \$16 per copy. A real bargain!

An Anglo-American economics, featuring:

- Private property
 - Natural law
 - Morality and free enterprise
 - No nonsense explanations of money, trade, supply and demand, scarcity, production, competition and inflation
- In addition, it has a glossary, is illustrated, and fully indexed.

"To gain a solid working knowledge of economics, this is the book."—James Harris

You can now order individual volumes of *Basic History*, the complete set, as well as the clothbound copies of either (or both) of the *Economics* and *Government*. For a limited time, if you order two or more copies of any combination of the three, you can subtract a 10% discount from your total price. Offer ends October 30. Order now!
