BUICK MOTOR DIVISION

The ultimate Buick.

Electra 225 brings 1967 beautifully into your life. It is the best of everything Buick: a newly balanced blend of styling, performance, ride and handling. With standard equipment ranging from power brakes and steering to a 430-cubic inch V-8, Electra 225 is indeed the ultimate expression of the tuned car. It is proof that when better automobiles are built, Buick will build them.
