DIRECTIONS

To solve this puzzle you must guess twenty-odd WORDS, the definitions of which are given in the column headed DEFINITIONS. Alongside each definition, there is a row of dashes—one for each letter in the required word. When you have guessed a word, write it on the dashes, and also write each letter in the correspondingly numbered square of the puzzle diagram. . . . When the squares are all filled in, you will find that you have completed a quotation from some published work. If read up and down, the letters in the diagram have no meaning. . . . Black squares indicate ends of words; if there is no black square at the right side of the diagram, the word carries over to the next line. . . . When all the WORDS are filled in, their initial letters spell the name of the author and the title of the piece from which the quotation has been taken. Of great help to the solver are this acrostic feature and the relative shapes of words in the diagram as they develop. Authority for spellings and definitions is Webster's New International Dictionary, Second Edition.

Why We Make This Amazing Offer

Actually we were FORCED to make this "give-away" offer... for two reasons: (1) Only by putting our recordings in your hands can we convince you how extraordinary their tonal quality is. Performed by internationally-renowned orchestras, conductors, and soloists. Custom-pressed on the purest vinyl plastic. Reproduced with a fidelity of tone which encompasses the entire range of human hearing... 50 to 15,000 cycles!

(2) We want to show you how our new trial membership plan works. As a trial member, you are not obligated ever to buy any recordings from us—now or later! You do, however, have the right to try—free of charge—any of the Society's monthly selections which interest you. You receive prior notice of these. You pay nothing in advance. And you are not obligated to keep those you try... even after you have played them and read the interesting music notes which accompany each selection. You pay only for those which—after having tried them—you decide you really want to own. And for these, you pay only the member's low price of \$1.65 per long-playing disc, embodying on the average about 40 minutes of music by the great masters. A saving of about 2% off the usual retail price!
