## DIRECTIONS

To solve this puzzle you must guess twenty-odd WORDS, the definitions of which are given in the column headed DEFINITIONS. Alongside each definition, there is a row of dashes—one for each letter in the required word. When you have guessed a word, write it on the dashes, and also write each letter in the correspondingly numbered square of the puzzle diagram. . . . When the squares are all filled in, you will find that you have completed a quotation from some published work. If read up and down, the letters in the diagram have no meaning. . . . Black squares indicate ends of words; if there is no black square at the right side of the diagram, the word carries over to the next line. When all the WORDS are filled in, their initial letters spell the name of the author and the title of the piece from which the quotation has been taken. Of great help to the solver are the relative shapes of words in the diagram as they develop. Authority for spellings and definitions is Webster's New International Dictionary, Second Edition.

Solution of last week's Double-Crostic will be found on page 48 of this issue.

### A DEMONSTRATION OFFER — NOW FAST RUNNING OUT \*

\* These two special editions were printed for demonstration purposes (see below) and not many sets are left. Additional printings are unlikely for many months, since it is impossible quickly to print and bind sets like these.

**THIS INTRODUCTORY OFFER** is a demonstration of three marked advantages of membership in the Book-of-the-Month Club.† First, as a member, you are kept from missing the important new books. Secondly, you get Club choices at a considerable saving; an average of about 20% less than the retail price, over the past two years. On top of this, you share in about \$12,000,000 worth of free books (retail value) distributed during the year among members as Book-Dividends. Because of its large membership the Club prints enormous editions of its selections at a great saving in manufacturing costs. The money thus saved is invested in editions of other desirable volumes, each of which is a Book-Dividend† given without charge to members. The Library Set you choose to re-

ceive, free, represents "advanced" Book-Dividends, earned by the purchase of the six books you engage to buy later.

★ **YOU AGREE TO BUY ONLY SIX BOOKS** within your first year of membership, from among the Club Selections and Alternates. During the year at least 100 good books will be made available to you, from which you may choose. You receive a careful advance description of each Selection and if you think it is a book you would *not* enjoy, you send back a form (always provided) specifying some other book you may want. Or you may say: "Send me nothing."

★ **AFTER BUYING SIX BOOKS** — and as long as you remain a member—you will receive a Book-Dividend with every second book you buy from among the Club choices.

★ **YOU MAY CANCEL YOUR MEMBERSHIP** any time after buying six books. Membership in the Club is for no fixed period, continuing until notice of cancellation is received.
