#### DIRECTIONS

To solve this puzzle you must guess twenty-odd WORDS, the definitions of which are given in the column beaded DEFINI-TIONS. Alongside each definition, there is a row of dashes-one for each letter in the required word. When you have guessed a word, write it on the dashes, and also write each letter in the correspondingly numbered square of the puzzle diagram. . When the squares are all filled in, you will find that you have completed a quotation from some published work. If read up and down, the letters in the diagram have no meaning. . Black squares indicate ends of the of the diagram, the word carries over to the next line. . . When all the WORDS are filled in, their initial letters spell the name of the piece from which the quotation has been taken. Of great belp to the solver are this acoustic feature and the relative shapes of words in the diagram as they develop. Authority for spellings and definitions is Webster's New International Dictionary, Second Edi-
