Z. Art of punctuation.	144 170 189 152 66 20 110 200 112 205 103

## DIRECTIONS

To solve this puzzle you must guess twenty-odd WORDS, the definitions of which are given in the column headed DEFINITIONS. Alongside each definition, there is a row of dashes—one for each letter in the required word. When you have guessed a word, write it on the dashes, and also write each letter in the correspondingly numbered square of the puzzle diagram. When the squares are all filled in, you will find that you have completed a quotation from some published work. If read up and down, the letters in the diagram have no meaning. . . . Black squares indicate ends of words; if there is no black square at the right side of the diagram, the word carries over to the next line. . . . When all the WORDS are filled in, their initial letters spell the name of the author and the title of the piece from which the quotation has been taken. Of great help to the solver are this acrostic feature and the relative shapes of words in the diagram as they develop. Authority for spellings and definitions is Webster's New International Dictionary, Second Edition.

Solution of last week's Double-Croctic will be found on page 7 of this issue.

JULY 18, 1959

The Saturday Review

*Kings Mountain National Military Park, South Carolina, where the Tories met defeat, October 7, 1780*

## Visit Kings Mountain—where the mountainmen made you free

Out of the mountains they came with hunting knives, Kentucky rifles and *freedom blazing white-hot in their eyes*. And waiting for them on Kings Mountain was a superior force of Redcoats and Tories under the redoubtable Major Ferguson who boasted that "all the rebels outside of - - - couldn't drive him from the mountain." In one short, volcanic hour the untrained mountainmen won a crucial victory that fired up the Colonies and led to Yorktown and independence.

Today, Kings Mountain slumbers in the heart of one of the South's most scenic vacationlands where you can swim, fish, ride . . . visit historic sites and stately country homes. At Kings Mountain, now carefully preserved, you can browse through the museum . . . recreate the action on a self-guided tour . . . and pause at the grave of the doughty Pat Ferguson who, true to his boast, is still there.

And you can muse for a moment on the unlettered backwoodsmen *who wrote a shining page in freedom's book*. The handwriting might be crude — but the message was unmistakably clear . . . *no mountain is too high for men to scale when freedom waits at the top*.

**FREE TOUR INFORMATION** If you would like to visit Kings Mountain, S. C., or drive anywhere in the U.S.A., let us help plan your trip. Write: Tour Bureau, Sinclair Oil Building, 600 Fifth Avenue, New York 20, N. Y.—also ask for our colorful National Parks map.

ANOTHER IN SINCLAIR'S AMERICAN CONSERVATION SERIES

OIL'S FIRST CENTURY—BORN IN FREEDOM—WORKING FOR PROGRESS

### SINCLAIR SALUTES THE AMERICAN HISTORICAL ASSOCIATION,

chartered in 1889 by Congress to encourage the study of history in America, as a foremost organization of eminent scholars. By their individual works and through the Association and the American Historical Review, the members record and evaluate events that make up our great historic heritage, and serve to perpetuate understanding of the principles of democracy.
