## Webster's New Collegiate Dictionary. It's where the words live.

America's all-time best-selling dictionary doesn't just define words — it brings words alive. So you can feel the frenetic beat of a "disco," get the tangy taste of "wassail," and sense the bitter emptiness of "rip-off." For this is the dictionary that offers thousands of quotations and usage examples plus scores of

charts, tables, and illustrations — all arranged to make meanings clearer than ever. All together, over 150,000 grand old words and brand new words spring vividly to life. Give one to your family. Get one yourself. Just \$10.95 wherever books are sold. Merriam-Webster Dictionaries, Springfield, MA 01101.
